CIVIL ACTION

LATEX GLOVE LITIGATION
CASE CODE 243

**STIPULATION OF DISMISSAL WITH
PREJUDICE AND WITHOUT COSTS**

This matter having been brought before the Court by the consent and agreement of Grace Leslie, counsel for the plaintiff, and Albert L. Piccerilli, counsel for the defendant, Baxter Rubber Company, for an Order to dismiss said defendant from this action with prejudice; and for good cause shown;

IT IS this 23rd day of February, 1999; hereby

ORDERED that pursuant to R. 4:37-1, said defendant shall be dismissed with prejudice and without costs; however, upon a showing of good cause, said defendant, after having been dismissed, may be reinstated in this action; and

IT IS FURTHER ORDERED that should said defendant be reinstated in this action, said defendant shall be deemed to consent to the tolling of the statute of limitations from the date the original Complaint was filed to the date of the reinstatement. In the event of reinstatement of the Complaint, and except upon a showing of good cause, said defendant shall be bound by case management and Court orders entered during the period in which said defendant was dismissed. Said defendant shall, furthermore, be deemed to have consented to waive any entire controversy defenses which would not otherwise apply had the agreement to voluntarily dismiss said defendant had not been entered into; and

IT IS FURTHER ORDERED that said defendant shall circulate a copy of this Order upon all parties to the action within seven (7) days from the date of entry of the Order.

BY THE COURT:

HONORABLE MARINA CORODEMUS, J.S.C.

We hereby agree to the entry of the foregoing Order.
